

Muzzle Control

**** CONCEALMENT REQUIRED ****

Shooter will start facing downrange at P1, with heels touching tire and hands relaxed at sides. At the signal, draw and move to P2 engaging threats with 2-rds each in tactical priority. Then move to P3 and engage threats with 2-rds each in tactical priority. Finally, move to P4 and engage threats with 2-rds in tactical priority.

NOTES: - VICKERS COUNT - Best 18 hits scored

- Shooter may go wither left, or right at signal.
- Maintain muzzle control downrange when move across and back in the "hallways."
- Shooter may **NOT** shoot over top of barrels.
- **ALL** engagements are to be from behind cover - **NO** shooting on the move.
- Reload as necessary.
- Range of engagement: 2 to 5-yards.
